

Dear Colleagues!

You are holding a scientific journal "Bulletin of Chernivtsi Institute of Trade and Economics", which in accordance with the order of the Ministry of Education and Science of Ukraine from 17.03.2020 № 409 is included in the List of scientific professional publications of Ukraine category "B" in the field of "Economic Sciences": 051, 071, 072, 073, 074, 075, 076, 292.

We are proud that Chernivtsi Institute of Trade and Economics of Kyiv National University of Trade and Economics, with its 54-year glorious history, is developing as a center of current integrated research, to which the scientific journal "Bulletin of Chernivtsi Institute of Trade and Economics" that has been being published since 2000, also contributes.

Our scientific publication is primarily the result of research work of the teaching staff of the institute and scientists of other higher educational establishments of Ukraine and foreign partners.

Socio-economic development of Ukraine and its regions, cross-border cooperation, international economic relations, management and marketing, analysis of economic aspects of enterprises, finance, accounting and auditing are considered not only in theoretical but also in practical aspects.

It is important that almost all publications in our scientific journal "Bulletin of CHITE" have an important feature: they reflect the interests of scientists and practitioners and acquaint readers with the new results of research.

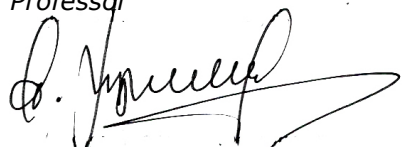

We hope that this issue, as well as our previous collections of scientific articles, will objectively reflect current economic problems and ways to solve them.
